

Wireless Charger SCA009

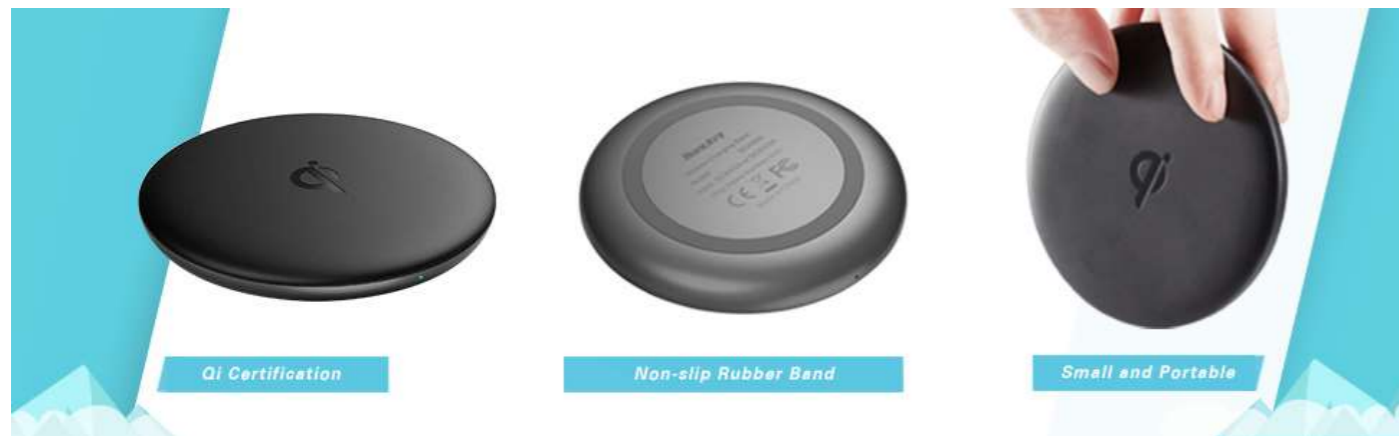

- Compatible with all Qi-certified Devices
- 10W Fast Charging: Samsung Galaxy s10/s9/s9 Plus/Note 9/s8/s8 Plus/Note 8/s7; 7.5W Standard Charging: iPhone X/Xs/Xs Max/XR/8/8Plus/7
- Easy and Safe Charging: If there isn't a phone being put on, it will not charge, and it can automatically stop charging when the phone has been fully charged. It reduces the fumbling with cables
- Phone Case Friendly: Able to directly charge phones with cases less than 5mm of thickness, but metal cases will interfere with charging
- Superior Charging Protections: Built with overcurrent / overheating / overcharging / short-circuit protections and foreign object detection
- High Charging Efficiency: Up to 80%, higher than many other congeneric products
- Warranty: 2-year worry-free warranty and lifetime friendly customer after-sale service
