

Specifications and parameters of all-in-one machine

Specification parameters

Product model	Customer' s Brand, HUNTKEY
Factory code	C2400651
product type	Quasi system
product positioning	All in one office computer
Appearance color	white
Screen size	23.8 inches
Screen scale	16:9
Best resolution	1920*1080P
Backlight type	HD LED
brightness	250nits
viewing angle	178° (L/R) 178° (U/D)
Motherboard type	JW H510I Thin Mini-ITX
chip	Intel H510
CPU	Support Intel 11 generation Celeron / Pentium / core desktop processor
Memory module	Support 2*DDR4 SO-DIMM DDR4 2666MHz/2933MHz/3200Mhz Max:64G
Solid state disk	Support 1*m 2280 slots (support sata/nvme mode SSD)
Mechanical disc	Support 1*2.5 "hard disk (1*sata3.0 interface, 1*sata Power Interface)
Graphics card	Intel integrated graphics card
Wifi/ Bluetooth	Intel2.4GHz/5GHz/802.11a/b/g/n/ac 4.2The standard supports IPv6 and 6LoWPAN

LAN	Gigabit Ethernet port
camera	Built in 500W camera double label
loudspeaker box	Built in multimedia sound 8 Ω /2w * 2
Power Supply	19v6.32a 120W external adapter with AC suffix power line
Key mouse	Optional
Front (side) interface	USB2.0 * 2, headphone hole * 1, TYPEC * 1, SD card slot * 1
Bottom interface	HDMI*1、COM*1、USB3.0*4、RJ45 Gigabit LAN*1、AUDIO IN/OUT
Wall hanging hole distance	VESA 100*100mm
Body size	L540*W324*D37mm
system	Support win10/win11
Certification qualification	3C energy efficiency
other	Brightness adjustment on the right side of the bottom, one button rest screen, one button mute, manual light scanning function
Accessory package	
Standard accessories	Package list: all-in-one computer, heat dissipation module, base, power cord/screw, external adapter, manual/certificate/warranty card * 1
